## **Tuition Information**

Tuition is calculated on a daily rate (\$20 per day, per child) based on the number of calendar school days in a month, excluding non-school days and breaks. Tuition is NOT based on actual attendance. Parents are responsible for paying the entirety of the tuition regardless of attendance. Tuition will be billed on a monthly basis with a specified due date per invoice. Invoices are electronically sent, via email, and can be accessed through parents Eleyo account. All families are required to enroll in AutoPay at the time of contract submission. Auto Pay is a convenient way to automatically pay your monthly invoice on the due date. There is no sibling discount rate. Tuition is subject to change. There is a \$50 yearly registration fee per child, not to exceed \$100 per family. **Tuition information is not applicable to subsidized program or Cedar creek ASES participants**
