WHO WE ARE

The Santa Clarita Valley CAC is composed of parent volunteers, educators, and other interested community members who want to make a difference in the education of all children. Your CAC seeks to join together parents, educators, lawmakers, service providers and others in our community with the goal of improving and protecting the education of our children with special needs. Your CAC is here to inform, empower, and support you. We invite you to join us in our quest to help others in our community.

THE CAC IS COMMITTED TO:

- Ensuring quality education for all children;
- Ensuring parent empowerment through education and advocacy;
- Ensuring collaboration between parents and schools;
- Ensuring access to resources and information.

BENEFITS OF BEING INVOLVED

The CAC can give you the knowledge and skills necessary to become more comfortable in your role as a partner in the education process for your child. The CAC serves as a way to gain and share knowledge and help develop the best possible programs for our students.

Through CAC, parents can...

- Learn about school and community resources related to special education;
- Receive training and build skills through workshops;
- Discuss ideas and concerns with people who will listen, understand and respond;
- Collaborate and network with other parents;
- Have the opportunity for personal growth and leadership development;
- Receive information related to your child's disability;
- Engage in effective advocacy for children with special needs.

HOW TO GET INVOLVED

- Attend a CAC meeting... all meetings are open to the public;
- Apply to become a CAC member representing your child's school district;
- Join one of the CAC subcommittees;
- Help plan and organize CAC parent workshops.
