Skyblue Mesa Elementary School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Skyblue Mesa serves approximately 580 students in transitional kindergarten through sixth grade on an academic year calendar which begins in August and ends in June. There are four Special Day Classes on campus that serve approximately 55 Special Education students.

Skyblue Mesa employs 25 fully credentialed teachers. We also have a school psychologist, a school social worker, 2 full time Language and Speech Pathologists, several paraeducators that provide support in the K classrooms, intervention programs, and our special day classes.

In order to create a safe and positive learning environment for students to thrive in, we employ PBIS school wide. With this, school expectations for behavior are posted all over the school including the classrooms. These expectations are explicitly taught and positively rewarded. There is an emphasis on positive reinforcement and building positive relationships with students on our school campus to foster a supportive school culture.

The mission of Skyblue Mesa Elementary School is to provide a high quality and rigorous education in a safe learning environment that supports the academic achievement and emotional growth of ALL students. We strive to prepare all students to be lifelong learners, and productive and responsible citizens.

At Skyblue Mesa Elementary School, we envision ourselves:

- * collaborating as a community of staff, students, and parents to maintain the expectation that all students can succeed.
- * building strong critical thinking and problem solving skills.
- * focusing on student achievement of rigorous academic standards.
- * implementing research-based instructional methods in all classrooms.
- * promoting a climate of mutual respect by modeling and teaching expected behaviors as identified on our PBIS Matrix and our school's Code of Conduct.
- * communicating with one another clearly and respectfully.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment in which learning can take place. Playground campus supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in fire drills, lockdown drills, and disaster drills on a regular basis to ensure preparedness in the event of an emergency. A disaster supply bin is maintained on our campus and the disaster plan is updated annually. Staff receives annual training in disaster preparedness, safety training and CPR/First Aid training.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	48	46	57	59	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Our school is privileged to have a significant level of parental involvement and support. Parents also serve on school and district committees such as SSC, ELAC, PAC and more. We also have a very active and cohesive Parent-Teacher Organization. Weekly school-wide newsletters and emails inform parents and students about educational information and important events.

In addition, parent meetings are held with the administrator and content experts to keep parents informed about school goals and instruction, and ways they can support those efforts at home.

2023-24 School Safety Plan

Skyblue Mesa Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Our Comprehensive School Safety Plan is updated annually. The plan includes sections on child abuse reporting, disaster preparedness, suspension and expulsion, dangerous student notification, sexual harassment, dress codes, and hate crime reporting. Fire drills are conducted monthly and earthquake and lockdown drills are held four times each year. The plan was discussed at our school site council and staff meetings in December/January and submitted to the Board of Trustees for approval in March.

Skyblue Mesa Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in to our volunteer management system, wear a visitor's badge during their stay, and check out at the front office upon departure.

The Comprehensive School Safety Plan developed under SB187 guidelines addresses each of the following three elements:

- School-wide Positive Behavior Support
- Safe School Environment
- **Disaster Preparedness**

Professional Development

Professional growth activities are planned annually based on current need and input received from staff. The teachers' work calendar includes three professional development days, early release Wednesdays and weekly release time to allow for collaborative instructional planning and lesson development. Currently our staff development is focused on Math fluency, Number Talks, Math Reasoning, the use of Models and Mainpulatives in Math, and strategies to improve literacy and numeracy skills. We continue to integrate technology into the curriculum and design intervention programs to help all children achieve proficient and above in language arts and math. We work closely with our district Teachers on Special Assignment to enhance our programs and provide staff development. Our teachers work collaboratively in professional learning communities to improve their craft and increase student learning.

This table displays the number of school days dedicated to staff development and continuous improvement.
